Fiscal Impact Statement for ***"Utah Redistricting Standards Commission" filed on May 28, 2009.***

The Governor's Office of Planning and Budget estimates that the law proposed by this initiative would result in a total fiscal expense of \$1,036,000 general fund.

Implementation of changes prescribed by the petition requires \$36,000 for the Lt. Governor's Office for production and dissemination of the voter information pamphlet and \$1,000,000 one-time for Legislative Research and General Counsel to cover costs associated with staffing the commission. Some of these costs may be offset through existing staff and efficiencies as designated by the Legislature.
